

SUMMER PROGRAM

2011

Join us this summer as.....

TOWNE CREEK GOES TO

The Towne Creek School
3311 Williamsburg Lane
Missouri City, Texas 77459
281-499-8030
www.thetownecreekshool.com

STAFF

The Towne Creek School has had the same Owner/Executive Director, Judy Feinstein, since 1983. Many administrators and staff have been with the school for over ten years. The longevity and experience of degreed staff, along with the creativity and enthusiasm of new team members, help create and support a program of the highest quality for your child.

Mr. Jerron Beatty is in his third year leading the summer program. He and his staff have planned a fun, movie themed curriculum, full of valuable learning and growing experiences that will give every camper an opportunity to share and express themselves in a variety of ways. Experienced teachers and assistants will help guide the children in their daily activities.

OUR SCHOOL

We are very proud of our school and the amenities it provides. Throughout the summer, campers make frequent use of our large field area, indoor gym, library/computer room, game room, age-based developmental playgrounds and the in-ground swimming pool.

ACTIVITIES

Our goal is to plan activities that the campers will find interesting, challenging and enjoyable. The emphasis is not only on having a great time, but on being a great person. To this end, we provide both character and team building activities which help the campers discover more about themselves and others. Some of the many activities include:

Field Sports	Art	News Broadcasts	Gym Games
Science/Nature	Theatre	Environmental Studies	Cooking
Mind Benders	Dances/Parties	Special Events/Guest Speakers	
Archery	Swimming	Community Service	

No summer would be complete without our Annual Lock-In, a camper's favorite all-nighter, full of games, activities, and food.

The Grand Finale of the summer camp session is the Afterschool Summer Show. Campers pool their talents and create an impressive variety program for your viewing enjoyment. This is one show you don't want to miss!

THEMATIC WEEKS

This summer, Towne Creek is going Hollywood! Each week will feature different movie-themed activities, challenges and field trips. "Great Actors and Actresses of Hollywood, The Early Years of Hollywood, Behind the Scenes, and Sports Stars" are just a few of the exciting themes being planned for the summer.

SPECIALTY CAMPS

Specialty Camps are offered throughout the summer. These are week-long camps that focus on a particular interest or skill, and are taught by staff specialized in those skills. The schedule is planned so that the child participates in the Specialty Camp one to two hours per day and will still be able to take advantage of the other daily activities provided.

Camps being considered this summer include, but are not limited to: Basketball, Soccer, Movie Makeup, Backdrop Design, Theater, Photography, Art, Science, What's Cooking, Comedy and more. Final information will be posted on the website by mid-April.

FIELD TRIPS

A variety of field trips is offered as part of your summer tuition and takes place once per week. Some of our planned destinations include Moody Gardens, the Houston Zoo, Sienna Stables, Laser Zone, Minute Maid Park and more.

DAILY FREE SWIM

Our free swim program is part of the daily curriculum offered to campers age 5 years and up. The head lifeguard is certified through either the Red Cross or YMCA certification program. Campers enjoy this daily opportunity to cool off and participate in games planned by our pool staff.

SWIM LESSONS

Our pool is four feet deep at the deepest end and is great for teaching new swim skills to our younger campers and for encouraging our older campers to practice their swimming skills. Our lessons are taught according to the Red Cross Water Safety Instruction by a Red Cross Certified Instructor. Swim lessons are offered in two-week sessions, consisting of eight lessons where new skills are taught and 2 lessons of skill practice/swim fun. Registration forms and information are available at the front desk.

COME VISIT AND SEE FOR YOURSELF

We invite you to visit our facility. We encourage questions from both the children and the parents. We take great pride in offering a wonderful opportunity for a child to be with friends, establish new friendships, participate in new learning experiences, and have a great time. We hope to welcome you soon and encourage you to visit our website at www.thetownecreepschool.com

Calendar

June 3	First Full Day of Summer Session
July 4	Independence Day Observed – <u>Towne Creek Closed</u>
August 17	Last Day of Summer Session
