

## KINDERGARTEN

### SUMMER GENERAL INFORMATION

*We are looking forward to another great summer at The Towne Creek School!  
We strive to provide opportunities for learning new skills and concepts, while reinforcing those previously achieved. We plan according to the individual needs and capabilities of our campers, offering a balance of learning and fun.*

#### **CURRICULUM**

The summer curriculum is being planned by our extremely talented Kindergarten teacher, Ms. Charlette. The theme for this summer is “Where in the World?” Children will learn about the seven continents - the people, animals, food and culture. The skills emphasized throughout the school year will be reinforced during the summer months. Kids don’t stop learning, and we don’t stop teaching simply because it’s summertime!!

You will receive a “What’s Happening” on Thursdays to inform you of weekly highlights and upcoming activities, such as FREE SWIM, FIELD TRIPS or SPECIAL EVENTS. Children will continue to be exposed to math and language concepts through circle time and learning centers. Other daily activities include art, science and discovery, journal writing, reading, phonics, music, movement, motor development, songs, games and stories. The goal of the program, in the summer as well as the school year, is to give the child opportunities to grow and develop daily in all skill areas: social, emotional, physical and cognitive. We strive to provide a structured, balanced day, with a variety of activities and experiences that challenge and excite the child.

#### **SWIM PROGRAM**

Free Swim is offered at least every other day during the summer. Children swim or play pool games under the watchful eye of our certified lifeguards and pool staff. The final free swim schedule for the summer will be posted by the first of May.

#### **SWIM LESSONS**

Swim lessons are offered for children 3 years and up (children must be 3 years of age by August 31, 2011). Information regarding lessons is included in this packet.

#### **EXTRA CURRICULAR ACTIVITIES**

Dance, Gymnastics, & Sports Fun are classes taught at Towne Creek by specialized companies for an extra cost. Please see the front office for details if you are interested in these classes for your child.

#### **FIELD TRIPS**

Field trips are scheduled once or twice per month. This summer’s destinations include The Glazery, Young Chef’s Academy, The Houston Zoo, Sugar Land Museum of Natural Science, Bounce U and Emerald Bowl.
