

## PRESCHOOL SUMMER GENERAL INFORMATION

*We are looking forward to another great summer at The Towne Creek School!  
We strive to provide opportunities for learning new skills and concepts, while reinforcing those previously achieved. Our staff plans according to the individual needs and capabilities of our campers, offering a balance of learning and fun.*

### **CURRICULUM**

Our summer curriculum is planned by the extremely talented Preschool teachers. Detailed information on themes and activities is included in this packet. The skills emphasized throughout the school year have been taught in a creative, challenging manner, with a “learning is fun” approach. We will continue to reinforce those skills in the summer.

You will receive a “What’s Happening” on Thursdays to inform you of weekly highlights and upcoming activities, such as SPLASH DAY, FIELD TRIPS or SPECIAL EVENTS. Children will continue to be exposed to math and language concepts through circle time and learning centers. Other daily activities include art, science and discovery, pre-reading and pre-writing, phonics, music, movement, motor development, songs, games and stories. The goal of the program, in the summer as well as the school year, is to give the child opportunities to grow and develop daily in all skill areas: social, emotional, physical and cognitive. We strive to provide a structured, balanced day, with a variety of activities and experiences that challenge and excite the child.

### **SPLASH DAYS**

Each preschool class has Splash Day once a week. The children play in kiddie pools, sprinklers, and sometimes on a water slide. Information on your child’s Splash Day is included in this packet.

### **FIELD TRIPS**

Children in the Three’s will take walking field trips throughout the summer. Destinations include Sonic, Dairy Queen, The Lone Star Pet Lodge, and Alpha Omega Gymnastics.

### **SWIM LESSONS**

Swim lessons are offered for children age 3 years and up (children must be 3 years of age by August 31, 2011). Information on Swim Lessons is included in this information packet.

### **EXTRA CURRICULAR ACTIVITIES**

Dance, Gymnastics, & Sports Fun are classes taught at Towne Creek by specialized companies for an extra cost. Please see the front office for details if you are interested in these classes for your child.
