

Ahoy Campers and Parents of Summer 2018!

Grab your passport and join us on board the M.S Slice of Life Cruiser as we set sail for exotic ports of call!

This summer campers will explore the culture of countries around the world. We will visit a new destination each week and learn about the people, celebrations, foods and sporting events of each location. On Friday of each week there will be a themed event for all to enjoy. Some of our weekly cruises include Hawaii, Canada, Mexico, Alaska France, Australia, and Brazil.

Exciting Excursions (Field Trips)

Our passengers will go ashore and enjoy a variety of venues throughout the area. We will kick off the summer with a trip to Moody Gardens. Cruisers will ride a bus to Galveston and spend the day touring this exotic port of call.

Other excursions this summer include, Urban Air, The Downtown Aquarium, Bayou Wild Life Park, Laser Zone, and Alpha Omega.

On Board Activity Itinerary

*On Monday morning of each week starting June 11, campers will be invited to take part in our Lego Challenge or Galilego Technic Projects. The last call for this activity will be on August 6. For more information visit www.westhouston.e2youngengineers.com

Daily Activities

Port-of-Call – (Portable Building) Our main headquarters for summer camp. This deck hosts games, science experiments, crafts and a host of other daily activities.

Lido Deck - Every afternoon, (unless there is a field trip or foul weather), passengers can soak up the sun on the Lido Deck and cool down in our pool. Don't worry, life guards will be on duty whenever our cruisers are present.

Port-A-Playa (the playground) – Cruisers will have outside opportunities in the morning and afternoon to stretch out their sea legs, participate in group games and enjoy the climate.

Activity Deck (gym) – Cruisers will muster each morning to go over their daily itinerary. The Activity Deck will host games, challenges, and team building activities.

Internet Cafe – (Library) – will host opportunities to utilize media, create on computers and relax through reading. Throughout the summer, cruisers will be documenting their voyage through photos, journaling, and Facebook. All Facebook postings will be uploaded by Camp staff.

Mess Hall – Cruisers will gather here for lunch and snack. Cooking projects and Lego Challenge will also be scheduled for this area.

Specialty Camps on various topics will be offered four or five times during the summer. Cruisers will choose if they wish to participate. Specialty Camps will be finalized by June 1, 2018.
