

TUITION RATIONALE 2020-2021 SCHOOL YEAR

Dear Parents,

It has always been my sincere desire to make Towne Creek a program of the highest quality. We continue to enhance ongoing programs as well as create new experiences. The goal is to balance the high educational standards while maintaining adequate financial means to ensure the continuation and growth of the school.

COMPARING TUITION OF OTHER PROGRAMS

I have made an earnest attempt throughout the past 37 years to provide the very best program for children while keeping within local tuition rates. For the 2020-2021 school year, there is a tuition increase of 3%-5% (more in some part-time situations).

Each year, we familiarize ourselves with the tuition of schools in the Fort Bend and Houston area that offer high quality programs. Tuition rates in many of the schools are much higher, in fact double and even triple in some instances. Some of these programs are subsidized by a religious institution or United Way, plus have an annual giving campaign. Yet I feel that our programs are comparable. At The Towne Creek School, we rely on tuition to fund 100% of our operating costs. Our obligation to you is to make the best use of the funds that we receive.

I've included a chart on the following page that shows some of the tuition rates in comparison to ours. I have a more detailed chart if you're interested in viewing that as well!

WHAT SETS US APART FROM OTHERS

We feel strongly that our staff qualifications and longevity, lower staff-child ratios, flexibility of programs offered in order to meet the variety of parents' needs, creative learning environment, and our 37 years of experience, set us apart from many programs in this area. We have excellent reviews from Kindergarten and First Grade teachers who receive our students in their classrooms. And we love having our second-generation families!!

Our facility provides for a variety of experiences for all of our age groups, with three spacious playgrounds, a sport court, swimming pool, indoor gym area, Afterschool activity room, library and computer lab. We feel that we have a family atmosphere here at Towne Creek, and we hope that you feel the same way.

MAJOR BUILDING IMPROVEMENTS

In the past 2 years, we have made some major improvements, including new flooring in the main building and the gym, new carpeting on the gym walls, new furniture, new computers for the lab, new student check in/out system, additional video cameras, fire alarm system and security alarm system for added school security. And, of course, we said goodbye to our portable and expanded our facility!

OUR STAFF

Our staff is our family, and we appreciate the loyalty and dedication of the people who take care of your children! We have many staff that have been here over 10 years, (some over 20!) with impressive teaching backgrounds and experience. We strive to attract and maintain outstanding staff members. We strive to offer a great atmosphere in which to work, as well as medical insurance, dental, vision, life insurance, personal and vacation time.

You can be assured that we will continue to provide a program of the highest quality, and the most optimal learning environment for our children. I thank you for your support, encouragement and involvement in such a wondrous time in your child's life.

Sincerely,

Judy Feinstein

Owner / Executive Director
