- Students will rotate between 3 morning activities and 3 afternoon activities.
- **Olympian of the day** – each student will have the opportunity to be Olympian of the day. This student will help with opening and closing ceremonies, support campers and staff throughout the day, and earn points for their assigned team.
- Students will be divided into 5 different teams. They will remain on the same team for the entire summer session. Students will participate in different challenges throughout the summer and will earn points for their team. Students will learn about a different group of Olympic sports each week. At the end of each week, the winning team's flag will be hung in the Big Room.
- Field trips will take place on Wednesdays or Fridays.
- Students will use the pool for Water sports, STEAM activities (sailing, floating objects), and more!
