ASSUMPTION OF RISK.** I understand that Climbing Activities involve inherent dangers, hazards and risks ("Risks") that may result in major or minor harm, disability, damage, loss, death or other injury ("Injuries") to me, my minor child, other members on my membership, or my guests ("Participants"). I understand that these Risks include but are not limited to Injuries from falls, slips, trips, collisions, or loss of footing or balance, equipment failure, malfunction, misuse or improper set up or use, property theft, loss or damage, or other accidents or incidents.

I understand that Risks and Injuries in the Climbing Activities (collectively, "Risks of Injury") may be caused, in whole or in part, by the NEGLIGENCE OF LIFE TIME, me, my Minor Child, other Participants or persons in the climbing area such as members, guests or contractors, or third parties such as the designers, manufacturers, installers or providers of equipment used in the Climbing Activities. - 4 PARENT OR GUARDIAN AGREEMENT If I am the parent or legal guardian of a Minor Child, I acknowledge and represent to Life Time that I have the right and authority to make decisions concerning the care, custody and control of my Minor Child including but not limited to the right and authority to execute this Agreement on the Minor Child's behalf. By signing this Agreement, I am binding each of my Minor Member(s) to its terms including but not limited to the ASSUMPTION OF RISK, WAIVER OF LIABILITY, DEFENSE AND INDEMNIFICATION provisions.
- 5 AGREEMENT APPLIES AFTER DEATH OR DISABILITY In the event of the death or disability of me or my Minor Child, I agree that all terms and conditions (including specifically the ASSUMPTION OF RISK, WAIVER OF LIABILITY and DEFENSE AND INDEMNIFICATION provisions) will be binding on my estate, heirs, next of kin, assigns, personal representatives, executors, administrators and/or guardians, all of whom are obligated to respect and enforce my agreements herein.
- 6 AGREEMENT TO FOLLOW CLIMBING RULES I agree to follow at all times all written, posted and spoken rules, requirements, policies, procedures, guidelines, instructions and directions applicable to the Climbing Activities ("Climbing Rules"). I agree to review the Climbing Rules at lifetimess.com or obtain them from Life Time staff. Life Time reserves the right, in their sole discretion, to change, modify, or otherwise alter their Climbing Rules at any time. Modifications to written Climbing Rules will become effective immediately upon web or club posting. If I violate the Climbing Rules, Life Time may terminate my climbing or bouldering privileges and/or my membership. I understand that I may not enter, climb or boulder in the climbing cavern unless an approved Life Time Fitness team member is present. Life Time's Climbing Rules also provide, in part, as follows:
- i. Age and Weight Limits All climbers must be at least five (5) years old to enter the climbing cavern. No climber under the age of fourteen (14) may top-rope belay or lead belay or lead climb.
 - ii. Minor Child Supervision A parent or legal guardian must directly and actively supervise all minor children at all times unless enrolled in a Life Time-supervised program. Direct and active supervision means that the parent or guardian visually observes and physically attends to the minor child at all times while in the climbing area, including performing the pre-climbing equipment double checks below.
 - iii. Climber Orientation/Certifications All climbers new to Life Time must receive from a Life Time team member an initial climbing area orientation, including an automatic belayer ("auto belay") orientation. Those who wish to manually belay must pass a certification test/check-out with a Life Time team member, demonstrating safety and competence in top-rope belaying or lead belaying/climbing. If such skills are learned in a Life Time class, the climber must wait at least 24 hours before taking the certification test/check-out.
 - iv. Climbing Before climbing the climber and belayer must double check each other's equipment, including but not limited to harnesses, clips or karabiners, knots, brakes, anchors and ropes. Both must exchange confirmation that the other's equipment is properly prepared and functional. Climbers may climb only on designated routes, may not cross routes, may not hang on ropes, and may not touch or climb on video cameras, belay equipment, lead route anchors (except for anchoring during lead climbing) or other non-climbing equipment. The belayer must pay attention to the climber at all times, keeping in a constant line of sight. Self-belaying is not permitted (e.g., with a Gri-Gri). Lessons in progress have priority on routes. While bouldering, climbers must have at least one spotter at all times and may not boulder above the shoulder height of the climber or the spotter.
- 7 SEVERABILITY INTEGRATION I agree that if any provision of this Agreement is found to be invalid or unenforceable, the remainder will continue in full force and effect. I agree that any invalid or unenforceable provision of this Agreement will be modified or partially enforced to the maximum extent permitted by law to carry out the purpose of this Agreement, which is to establish the broadest assumption of risk, release of liability, and indemnification and defense agreements enforceable under the law. No oral representations, statements or other inducements to sign this Agreement have been made apart from the terms and conditions contained herein.
- 8 CERTIFICATION I certify that I or my Minor Child is physically and mentally capable to safely and competently participate in Climbing Activities, and that I am fully responsible for the safety and functionality of any personal equipment I use during Climbing Activities. I am at least eighteen (18) years old. I have read this Agreement thoroughly before signing it, fully understand its contents and legal effect, and knowingly, voluntarily and willingly choose to participate (or permit my minor's participation) in Climbing Activities subject to its terms and conditions.
