For these days we ask that you please send your child to school dressed in their swimwear with sunscreen and insect repellent applied at home. You may bring a non-aerosol sunscreen and insect repellent with your child's name on it, for us to reapply, if needed. Please make sure your child has a full set of extra clothes in their backpack or cubby (including underwear and socks) in case there is a need. Also we ask that you continue to send your child's water bottle. We will take them at playground time to ensure the children are getting adequate fluids.
