

Summer PreK 2021

Join us this summer as we embark on a journey filled with adventure, learning and fun! The children will explore music and movement, nature, math, science, art, cooking and many games in a safe and structured environment.

What's Happening?

A variety of themed activities designed to spark your child's interest have been planned for the summer. You can find a complete list of summer weekly themes on the Parent Resource Page of the website.

Circle time and workstations provide opportunities for children to discover the world around them. Exposure to music, dance, math, science, language and reading concepts will continue throughout the summer in an atmosphere where learning, friendship and excitement come together in the most delightful way. You can download a copy of our weekly activities by going to www.thetownecreekschool.com and clicking on Parent Resources. The password is Summer21. Then click on What's Happening and your child's classroom. These will be posted on Friday afternoon for the upcoming week.

Exciting Expeditions

The field trips we plan are intended to entertain and enhance discovery. Our classes will be taking walking field trips as well as participating in In House Field trip events. Some of our past venues included Alpha Omega, The Glazery, LaQuinta and Dairy Queen. Permission slips for each event will be in Parent Resources under Forms. All campers must wear their Towne Creek T-shirt for off-site field trips. These may be purchased at the front office. Please Note: Off-site field trips may be limited due to COVID-19.

Water Adventures

Nothing beats the Texas heat on a summer day better than a cool dip in the pool. Campers will have the opportunity for "Free Swim" in the Towne Creek pool twice a week. Pool safety rules will be discussed, and lifeguards will always be on duty when children are present at the pool. On Free Swim days, please have your child come to school dressed in their swimsuit under their clothes and sunscreen already applied. (you may send non-aerosol lotions or sprays, marked with your child's name, for reapplication). Swimmers will need a towel, water shoes, a hat (if you wish), a complete change of clothes for after swim, and a bag for their wet clothes. All wet items must go home at the end of the day. Please make sure everything is labeled with your child's initials just in case it gets misplaced. Those students participating in swim lessons will need a second suit and towel. You can find your child's FREE SWIM and SPLASH days on the Summer Camp Program page of the website <https://www.thetownecreekschool.com/academic-programs/summer-camp-program/>

Towne Creek Amenities

PreK will also take advantage of the computer lab, gym, playgrounds, sport court, and sports field to play with friends and make this a summer they will not soon forget.

GENERAL GUIDELINES AND REMINDERS FOR THE SUMMER PROGRAM

Please notify the school and your child's teacher if:

- Your child is going to be absent.
- Your child has any type of allergy or special need.
- Your child is exhibiting any COVID-19 symptoms

Splash Day and Swim Lessons

If your child is taking swim lessons and has splash day on the same day, you may want to send an extra swimsuit and towel to make it easier for your child to change their clothes between the two events.

Apply sunscreen on your child prior to coming to school. Teachers can re-apply as needed. All sun screen should be labeled with the child's name and be non-aerosol.

Drop Off and Pick Up

All children must be accompanied up to the building by an adult (18 years or older). The sign in tablet is located on the table at the front entrance. You can use the Smart Care app QR code, your PIN or a key fob (that you can get from the front office) to check your child in.

At pick-up time, call the school when you are arriving at the parking lot. The Towne Creek staff will bring your child to the front entrance of the building. You can meet your child there. We will check them out for the day.

Summer Clothing

It is required that children wear comfortable close-toed shoes for their safety and comfort. Sandals and flip flops make running and climbing difficult and should only be worn for water activities. Each child must have a complete, labeled, change of clothes (including underwear and shoes) in a Ziplock bag that should be left in their cubby at school.

Summer Birthdays

If your child has a summer birthday, he/she is welcome to bring a snack to share. Please check with your child's teacher about the best time to do this. All snacks must be store-bought and show the ingredients on the label. We must be sensitive to the food allergies present in the classroom.

How to stay informed:

1. The Towne Creek Website www.thetownecreekschool.com Parent Resource Page Password is Summer21. You can find your What's Happening,, Permission slips etc. in this section.
2. SmartCare Parent App – Teachers can send you messages, photos, updates etc.
3. Facebook
4. Email
5. Your child's take home folder
